This letter of appreciation is presented to M/S Asian Trekking Pvt. Ltd (Nepal) for the excellent organizational support and professional logistical services provided to the Border Security Force (BSF) Mt Everest Expedition-2018, which brought glory to the Force.

BSF is proud to place on record that all 15 out of 15 climbing members successfully scaled World's highest mountain Mt Everest (8848mtr), and became the largest team ever to have 100% success rate. It is indeed a matter of great pride that Padma Shri Loveraj Singh Dharmshaktu, AC and leader of the expedition became the 1st Indian to scale Mt Everest seven times.
